## Thriving or Surviving?

Prepare      Equip      Renew      Enrich      Transform

Join Serving Marriages as we partner with renowned speakers Jeff and Shaunti Feldhahn. Authors of the best-selling books, *For Men Only*, *For Women Only*, and *For Parents Only*, Jeff and Shaunti will share major revelations that men and women have not understood about each other and how to incorporate them into our personal lives, marriages, and families.

Discover that there is POWER and influence when you incorporate these revelations. Can we truly understand our spouse? Is it important for us to be understood? YES! Our marriages, our children, their children, and their children's children become our living legacy of the love and the direction that we provided.
